NCC Nutrition Cosmetics Creation

Avenue de la Praille, 45 - CH 1227 Genève - SWITZERLAND

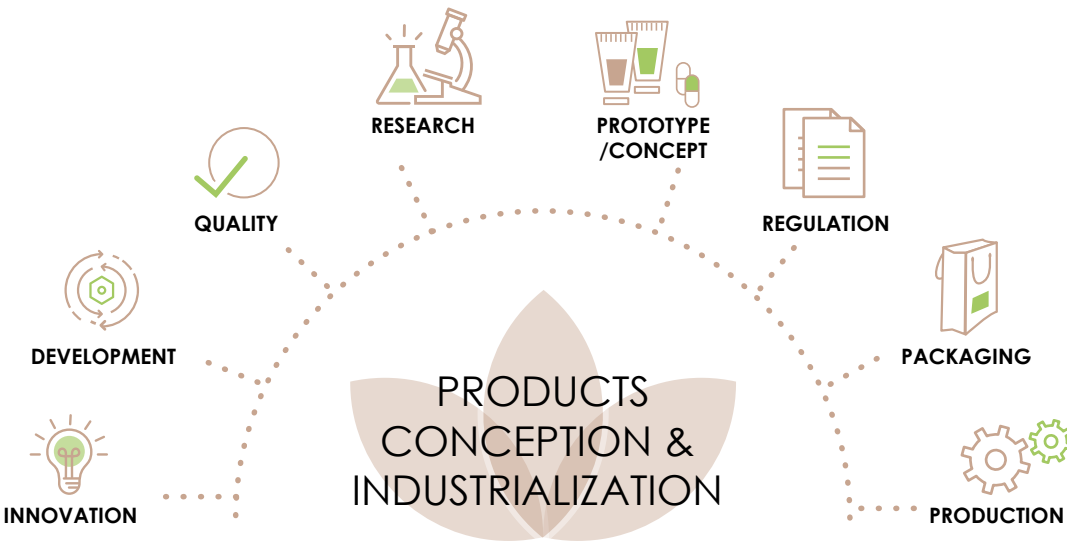

Tél : +41 (0)22 548 07 53 - Skype : NCCREATION4545 - www.nccreation.ch - info@nccreation.ch

CREATE YOUR BRAND,
WE DEVELOP YOUR BEAUTY AND HEALTH PRODUCTS

NCC is the **partner for the creation and development** of your cosmetic, nutraceutical and para-pharmaceutical products

Scientific & regulatory expertise, product development and production management

**IMPORTATION,
EXPORTATION
AND REGULATION**

As part of its relations with international clients and subcontractors, **NCC is able to answer your problems encountered with freight forwarders at different levels** (legalizations, registrations, analyzes)

**SCIENTIFIC WATCH
PATENT & TRADE
MARK**

NCC is surrounded by a highly qualified environment, scientific personalities, university research laboratories in the fields of pharmacy, biotechnology, cosmetology and nutrition. **NCC carries out the registration of trademarks and patents on the Swiss territory.**

**CRÉATION
INNOVATION
FORMULATION**

From a product brief, **NCC creates with you a formula, establishes technical specifications, validates regulatory aspects** according to international standards and advises you in the choice of clinical tests to implement, in order to support the positioning and commercial strategy of the product.

**INDUSTRIALIZATION
PRODUCTION
MANAGEMENT**

NCC implements your product fabrication (CMO), the supply logistics of the raw materials and **packagings**, as well as **the follow-up of their implementation**, until the obtention of the finished product **within the best leadtime.**
