

MOISTURIZING BODY MILK

200 ML

Main ingredients

Aloe Vera Bio :

A concentrate of hydration.

Organic Shea Butter:

Rich and nourishing, it softens, protects and restructures the skin.

Organic Coconut Oil and Water:

Naturally moisturizing and nourishing.

Odor

floral - green - watery

. Appearance : light white emulsion

. Packaging item : bottle
pump bottle - 200 ml

A creamy milk that nourishes and softens the skin without leaving a greasy film. With a combination of relipidant, softening and moisturizing.

How to use it

Apply the milk in a thin layer, all over your body, once or twice a day. Use on clean, dry skin. To mass the cream to make it penetrate, and to insist on the very dry zones like the elbows or the heels.
