

SLIMMING SPRAY

200 ML

Main ingredients

Brown alga Sphacelaria Scoparia :

Acts at two levels:

Inhibition of the adipocyte differentiation process in order to reduce the number of mature adipocytes and the storage of fatty acids in the hypodermis. Activation of the synthesis of collagen fibers to firm up the skin envelope.

Brown Algae Laminaria Digitata :

Stimulates by lypolysis the elimination of fats contained in the adipocytes.

Organic Ginger Extract and Essential Oils of Organic Grapefruit and Organic Lime:

Tones and energizes the epidermis to complete the firming action of the spray.

Odor

Tea - citrus - green

Appearance : white fluid milk

Packaging item :

pump spray bottle - 200 ml

A feeling of freshness from the moment of application, does not stick to the skin and can therefore be applied as an express care.

How to use it

Apply morning and evening on the area to be treated and massage energetically until total penetration of the cream.
