

## REFRESHING MOISTURISING GEL

200 ML

Apply to the body and massage lightly until completely absorbed.  
The gel offers you a moisturizing, soothing, and fresh combo.

### Main ingredients

**Aloe Vera is a fatty plant that grows in hot, dry climates. From its leaves, a transparent gel is extracted which contains enzymes and precious nutrients:**

Polysaccharides, minerals, amino acids...

Used for thousands of years in traditional medicine or beauty care, it has multiple benefits for the skin:

**-moisturising :**

Its polysaccharides retain water in the skin tissue, the skin keeps its hydration and softness.

**-soothing :**

To soothe skin discomfort.
