

## HYDRATATION IN & OUT ROUTINE

SERUM, CREAM AND  
FOOD SUPPLEMENT WITH  
HYALURONIC ACID

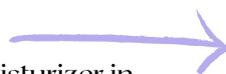

### Informations

Restore your skin's youth with the power of hyaluronic acid!  
Skin hydration is restored to give it elasticity and firmness.  
The results are optimal by combining a food supplement and a topical product

### ROUTINE

1. Take the dietary supplement every day
2. Apply the serum morning and night
3. Massage your face with the anti-aging moisturizer in the morning and evening in order to make the products penetrate deeply.

Restore your skin's youth with the power of hyaluronic acid in an IN&OUT way

## Features

This HYALURONIC ACID routine is composed of four products: The Gua Sha known for its firming virtues as well as a serum concentrated in Hyaluronic Acid, to be completed by capsules and moisturizer concentrated in hyaluronique acid.

**Instructions for use :** After applying the radiance serum on your face, let it penetrate your skin thanks to the Gua sha. Then apply a dab of anti-aging moisturizer and massage gently until the product is fully absorbed. Take the food supplement regularly.

Frequency and area of application

## PHASE 1

Gua sha

Moisturizing serum

## PHASE 2

Capsules & Cream

twice a week / Face

**Did you know that?**  
To keep your skin beautiful all year long  
it is essential to moisturize it properly.
