GOLD ANTI-AGING ROUTINE

GOLDEN COLLAGEN SON, LIFTING SERUM, RADIANCE SERUM

Informations

The threads are loaded with collagen, which are placed directly in the furrow of the wrinkle to promote the deposition of the active ingredients they contain and thus allow the lifting of the skin
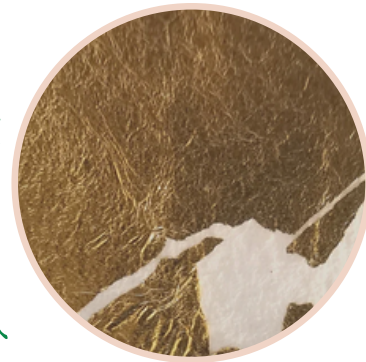

ROUTINE

1. Clean your face.
2. Soak the anti-aging threads in the lifting serum and apply them to the wrinkles.
3. Massage your face with the radiance serum in order to make the products penetrate deeply.
4. Remove the threads after 20-30 minutes and massage the remaining residue well.

reinforce the effectiveness of collagen by soaking the threads with lifting serum

Features

This GOLD ANTI-AGE routine is composed of three products: Anti-aging threads with regenerating properties, a lifting serum and a lifting serum.

Instructions for use: After soaking the threads in the lifting serum, place them gently on the wrinkles to be corrected. Then apply a dab of radiance serum to the face and gently massage until the product is fully absorbed. Remove the threads after 20 to 30 minutes. Advised for the dry skins or the mature skins
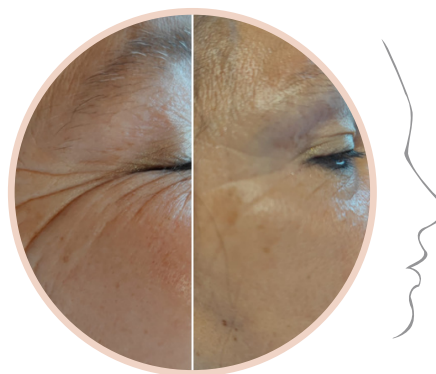

Frequency and area of application

Twice a week / Face
