

NORMAL HAIR SHAMPOO

SOLID

50 G

This Cosmos Organic certified solid shampoo is formulated with 100% natural ingredients and 18% organically grown ingredients. Thanks to its creamy foam, your hair will be clean and delicately perfumed.

Main ingredients

ORGANIC CAMELINE OIL: nourishes the hair fibre and makes the hair shine*.

ORGANIC SUNFLOWER OIL: Rich in linoleic acid (omega 6), it decreases transdermal evaporation, thus allowing better hydration,

WHITE CLAY: White clay is extracted from quarries and dried before being ground. Thus, its properties and its high mineral content are preserved. It is the softest and most neutral of clays.

Characteristics

Sweet almond fragrance

Appearance: off-white solid

Recommended packaging item: box

Its little bonus: a creamy mousse

The solid or waterless line protects the environment by avoiding the transport of water

**Minimum order quantity :
1000 units**

Directions for use

Moisten your solid shampoo by running it under water and rubbing it into your hands to develop a light lather. Rub it directly into your hair in small circular motions. Rinse thoroughly with clean, warm water.
