

# Product Sheet

## SUN FACE CREAM SPF 50+ FRAGRANCE FREE

50 ML

This formula combines four broad-spectrum biological UV filters to provide optimal photoprotection against UVA (320–400 nm) and UVB (280–320 nm). Suitable for all skin phototypes.

### Main ingredients

#### Coconut oil:

Provides softness and comfort while leaving the skin supple and nourished.

#### Hyaluronic Acid & Glycerin:

Help improve skin hydration by maintaining a balanced moisture level, even during prolonged sun exposure.

### Sensory experience

Odour: fragrance-free

Appearance: white fluid emulsion

Packaging: airless bottle – 50 ml

A complete formula suitable for all skin types.

## Direction for use

Apply generously and evenly to the body. Reapply frequently, especially after swimming or in case of perspiration.

**Conseils d'utilisation** : Ne restez pas trop longtemps au soleil, même en utilisant un produit solaire. Une exposition excessive au soleil est dangereuse. Évitez l'exposition au soleil entre 11 h et 16 h. N'exposez pas directement les bébés et les jeunes enfants au soleil. Utilisez des vêtements de protection (chapeau à larges bords, lunettes de soleil, T-shirt, etc.). Évitez tout contact avec les yeux. En cas de contact, rincez abondamment à l'eau claire. À utiliser dans les 6 mois après ouverture. Conserver à l'abri de la lumière et de la chaleur. Usage externe.

A utiliser de préférence avant fin : voir sous le flacon
